Cardiology Degree  
National institute of Cardiology "Ignacio Chávez"  
Mexico City  
1998 - 2001  
*Board Certified by the Mexican Council of Cardiology (Feb 2006-Feb 2011)*  
*Board Certified by the Mexican Council of Interventional Cardiology (Feb 2004-Feb 2009)*  
Fellowship  
*Cardiac pacemakers*  
Henri-Warembourg University (Lille-2)  
Lille, France

2001 - 2002

*Interventional Cardiology*

Pierre et Marie Curie (Paris VI) University

Paris, France

2001 - 2003

*Peripheral Endovascular Therapy*

Val de Marne (Paris XII) University

Paris, France

2002 - 2003

## MEDICAL EXPERIENCE IN CARDIOVASCULAR PROCEDURES

### a) Diagnostic Angiography

- Coronary
- Pulmonary
- Cerebral
- Visceral
- Peripheric

### b) Arterial Angioplasty

- Coronary Angioplasty (femoral and radial route)
- Peripheral Angioplasty
- Carotid Angioplasty
- Critical limb ischemia (endovascular approach)
- Aortic stent graft

### c) Venous Angioplasty

- Hemodialysis Vascular Access Procedures
- Pulmonary embolism (endovascular approach)
- Peripheral venous angioplasty (Vena Cava's syndrome)

### d) Therapeutic Embolisation

- Uterine Fibroid Embolisation
- Bleeding control of any territory (endovascular approach)
- Hepatic and renal carcinoma

### e) Percutaneous Thrombectomy

### f) Cardiac pacemakers and defibrillators
